- Please us the hand showers for cleaning on the toilet and use the paper only for drying. Put the paper in the rubbish bin. Don't put anything in the toilet which did not pass the body.
- Pool: Please do not leave Mats or Balls in the pool, as they may obstruct the skimmer of the cleaning system. The pool contents slightly salty water 0.3% (seawater has 3.5%) which is used for disinfection. The pump runs about 6 hours per day by timer. If you feel disturbed of some running time, please let us know. Pool temperature is between 27 and 32 Grade Celsius all year.
- Smoking is **not** allowed inside the house.
- While using the aircon, please close Windows and doors. We propose to set it on 27°C
- Rubbish: please take away the rubbish often, as it will attract pests  
Please us shopping bags for your rubbish. There are also bigger rubbish bags, which you can put in the bin at the street near the staff house. There is no recycling organisation, but people take recyclable good out or the rubbish. Therefore it is good to separate Aluminium and bottles and put them in the separate bin also near the staff house.

In case you see something not working good or damaged, please let us know quickly. We are also happy if you make a list of things to be changed or added.
